You MIGHT get this before our December meeting at 7 p.m. on 12/3.

With 2019 winding down there hasn't been

much happening locally, although we are very much looking forward to the new sign that is going up in the next week or two. Hopefully it will help us with attracting new members and new customers.

As Larry mentioned, the Steak Fry on the 14<sup>th</sup> is ours to host and, as usual, we can use some help.

The Riders Christmas Party is this coming Friday, the 6<sup>th</sup>.

Whether you know it or not, AMVETS has assumed a lead role in preventing veteran suicide in our county. Nationally, AMVETS launched the HEAL program in 2018. HEAL (healthcare, evaluation, advocacy, legislation) aims to address and intervene where possible. They have announced the public release of AMVETS Suicide Prevention & Crisis Intervention Course for SEAL Ambassadors.

If you have an interest in helping prevent veteran suicides you can get involved by visiting : [amvets.org/vet-heal](http://amvets.org/vet-heal) and click the "Access HEAL Training" link at the top of the page.

The Veterans Crisis Line number is 1-800-273-8255

Have a great month!
