## **Commanders Comments**

One month has been gone by this year already.

We have our new sign up and working. We still have a few glitches to work out yet.

We have had a pretty calm winter so far.

The Auxiliary has their monthly Fish Fry on the 7<sup>th</sup>. VFW has the Steak Fry on the 8<sup>th</sup>, We are going to try to do Burritos on the 22<sup>nd</sup>.

We have had some additional donations for the new sign. .AMVET Riders \$750 & Friends of then VFW \$2000.

We have had some big bill to pay this month. Taxes \$4500, septic system \$1300, which would have been much larger if Bob Moneybrake hadn't done a LOT of work on it for free.

Bob has also been snow blowing and changing the lettering on the small sign on the north driveway. A big thank you to Bob Moneybrake.

Not much more news. Lloyd Fowler is still in Fremont.

It's not much longer before spring. Lets hope the rest of the winter is easy on us.

God Bless our troops home and deployed.

Everyone take care and be safe.

Larry Reid, Commander

Well, here we are Ground Hog day already. In another month we can get into some serious "Think spring".

Our February meeting is on the 4<sup>th</sup>. I would like to see a larger group in attendance this month. We have been getting a few new members, but not too many are coming to the meetings.

Nobody else has mentioned it yet so I will. Tony and Jennifer are doing a Chili Cook-off on Sunday the 16<sup>th</sup> of February. There is a \$5 entry fee for your recipe, but the tasting and voting is free for everyone. There are always some super good recipes, so you might have to taste a few more than once before you make your decision ;) ;)

It is time to start thinking about who is going to be running the Post in 2020-2021. Our own Richard (Pop's) Devoe, who is currently Department of Michigan 1<sup>st</sup> Vice will be up for Department Commander this June. I know that it is a little early, but I'm hoping that we can get some decent representation at the convention to help get him elected.

If you have friends or relatives that are either veterans or active duty, we would like to meet them. Bring 'em in and show them what a great facility we have and all that we have to offer.

Have a great month.
