

September, 2021 NEWSLETTER

AMVETS will be hosting the October steak fry on the 9th, so please start planning accordingly. We hope to have Larry Terbeek with his karaoke for entertainment. Many don't know it, but, our own Jim Hart is the person who originally brought Larry to the Post.

Jim is AMVETS of Michigan District 5 Commander as well. Additionally, he along with several VFW Auxiliary members is the moving force behind the Wednesday and Sunday pool tournaments that have been instrumental in keeping the posts cash flow moving in the positive direction.

Sorry for turning my section of this months newsletter into a mini-Veteran-of-the-month, but there really isn't a lot going on locally right now.

Department has fall conferences coming up. They have switched to the east side of the State after the last five years being in Grand Rapids. I don't have schedules yet so I can't pass them on.
