Commander VFW Post 4249

### Presidents Corner

I hope that you all have a safe Labor Day holiday weekend!!

The Auxiliary will not be having their monthly fish fry for September due to the holiday weekend. There have been rumors that we wouldn't be doing the fish fry

anymore. Not true. We won't be doing the fish fry on holiday weekends as a rule of thumb. If this changes we will let you know. We plan on doing the fish fry the first Friday in October and the Auxiliary will be doing the steak fry the second Saturday in October.

The Auxiliary will be holding their monthly meeting Thursday, September 15<sup>th</sup> @ 7:00. Please mark it on your calendars.

Keep an eye on the activities calendar and come and help and participate when you can.

We are looking forward to getting new members and working with all of you at the different activities. With the new members and officers that joined the Post, the Auxiliary would welcome any eligible family members to join.

Be safe and stay healthy.

Jim O'Neil  
President

### AMVETS Post 4250

Thank you to all who helped with our August Steak Fry. I'm not sure of the final tally but it

looks like we cleared between \$400-\$500. Money that we will use to help fund future Post programs.

We would like to welcome a newly transferred in member to our ranks. Kasi Ostyn was a Member-at-Large and has also accepted a leadership position as Adjutant. She is a great addition to our post and hopefully we can attract many more of her era to build our organization for future growth.

We will be resuming Burrito night again this month on Saturday the 24<sup>th</sup>. Serving from 5-7 p.m. followed by Karaoke 6:30 to 9:30.

Also, on the 17<sup>th</sup> we were asked to serve burgers for a group from Garfield Township who is having a Birthday party. Of course no Birthday party can be complete without some sort of entertainment, so Karaoke will again be from 6:30 to 9:30

Please don't forget to attend our September membership meeting Tuesday Sept. 6 at 7 p.m.

Have a great month

Dan Boutell
